YOUR WAY TO THE CONGRESS VENUE

Vienna International Airport is situated about 20 km from the city centre of Vienna. You may travel either by taxi, by the Airport Bus Shuttle, by the train ("S-Bahn"), or by CAT (City Airport Train).

1. Taxi
The taxi stand at the airport is at the exit of the Arrival Hall. It takes about half an hour’s ride to get to the centre (approximately EUR 30 - 35).

2. Airport Bus Shuttle
There are regular buses from the airport to:
- Wien Morzinplatz/Schwenenplatz (with connection to undergrounds U1 and U4)
- Wien Dörflerstraße/Meidling (with connection to underground U6)
- Wien Westbahnhof (with connection to undergrounds U3 and U6)

The bus station is directly in front of the airport arrival hall. Buses leave every 20 - 30 minutes. The ride takes around 30 minutes. Tickets (One way: EUR 8, Return: EUR 13) can be bought on the bus or from the ticket machine. Please note that the tickets are only valid for the shuttle bus and not for public transport in Vienna.

Bus schedule: [http://www.postbus.at/en/Airportbus/Vienna_AirportLines/index.jsp](http://www.postbus.at/en/Airportbus/Vienna_AirportLines/index.jsp)

3. Train
To get to the Airport train, please follow the sign "S-Bahn" in the Airport Arrival Hall. Take the line S7, get off at Wien Mitte-Landstraße, change to the underground line U4, direction Hütteldorf. Get off at Karlsplatz and take the exit called “Wiedner Hauptstraße”. The ticket (for two zones!) can be bought at the ticket machine in the train station (EUR 4).

4. City Airport Train (CAT)
Nonstop connection from the airport to the City Air Terminal (Wien-Mitte/Landstraße, underground stations U4 & U3). A transfer time of only 16 minutes makes the CAT the fastest possibility to get into the centre. The train leaves every half hour from 6:06 am to 11:36 pm from the airport, between 5:36 am and 11:06 pm from the City Air Terminal where passengers can also check in. After arriving in Wien-Mitte, change to the underground line U4, direction Hütteldorf. Get off at Karlsplatz and take the exit called “Wiedner Hauptstraße”. Single ticket EUR 11 / Return ticket EUR 17 [www.cityairporttrain.com](http://www.cityairporttrain.com)

Public Transport in Vienna
Vienna has a well-developed, safe and efficient public transportation network. Information about the connections and prices can be found here: [http://www.wienerlinien.at](http://www.wienerlinien.at) - in the right-hand corner of this Website you will find a link to the English version.

The University of Vienna is located in the immediate vicinity of the underground station of lines U1, U2 and U4. Furthermore, the tram stations of lines 1, 2, 62 and Badner Bahn are also located there.

We also recommend you to use Google Maps to check the distance between your locations of interest: [http://maps.google.com/](http://maps.google.com/)
