

CALL FOR PAPERS

18th ERES Education Seminar

"Real Estate Education in the context of the fourth industrial revolution"

The European Real Estate Society welcomes participants to the 18th Education Seminar to be held in Krakow, Poland, on 2-3 December 2022.

The annual ERES seminars provide a forum for the exchange of knowledge and teaching experience in the field of real estate-related education and studies. All who are interested are invited to actively participate in the seminar. The detailed programme, presentations topics and registration link can be found at: www.eres.org/index.php/events/educational-seminars.

All those interested in academic teaching in the field of real estate are invited to submit abstracts and presentations. We are now accepting submissions via https://library.eres.org/ERES_network/

The main presentation topics are:

1. Challenges for education in the 4th industrial revolution landscape (The impact of technology on the real estate industry)

- Generation Z - teaching and recruiting
- Qualifications and skills of alumni vs. changing industry expectations
- Education programs in a rapidly changing environment
- Modern teaching approaches in real estate education
- Technology in equalizing access to education - facts and myths
- Online content - support or threat to the quality of the educational process
- Other

Key Dates :

- 01 October 2022:** Opening of registration
- 13 November 2022:** Deadline for submitting abstracts
- 15 November 2022:** Response to proposals
- 18 November 2022:** Deadline for payment and participant registration
